

Beef Liver 27/6 oz Slices

Product Description - The Superfood Powerhouse. Beef liver is one of the most nutrient-dense foods available - it's low in calories, rich in high-quality protein and contains an incredible amount of essential vitamins and minerals. The health benefits of such a high-protein intake speak for themselves, having been shown to increase metabolic rate, reduce appetite and help build and preserve muscle during weight loss. Liver also supports healthy brain function, and helps your body produce natural energy through healthy cell function. Don't underestimate the super power of beef liver.
